Welcome to your new home

Dear _____

Property _____

We'd like to warmly welcome you to your Ethical Lettings home. We're here to help you settle in and to support you to have a great tenancy. This leaflet explains what you can expect from us as your landlord and what we expect from you.

What you can expect from us

Settling into your new home

Soon after you move into your new home, we'll visit you to see how you're settling in and find out whether you need any help with things like benefits, family support, repairs etc. Moving home can be stressful and involves a lot of change.

Ongoing support

We want you to feel supported throughout your tenancy. If you have any problems or worries, you can get in touch with the tenancy support team and we'll be pleased to help. We'll also visit you regularly to see how you're doing and to ensure you're getting the support you need.

Help with benefits and rent concerns

Our financial manager can look into any financial query you may have about your rent, Housing Benefit or Universal Credit. Call or email the office if you have any financial queries.

Contract completed?

If you share a property with others, you'll need to complete our Contract for Shared Houses.

Ask for help

We want you to enjoy a settled and happy life in your property. So, if a problem arises that could affect your tenancy, always get in touch as soon as you can. Our experienced team is here to help with many matters including problems with money, the property, family, sharers and neighbours. If we can't help, we'll refer you to someone who can.

Take care of the property and your neighbours and report any repairs that are needed

1. Clean and maintain the property, including any outside space
2. Report repairs and other issues to us as soon as possible
3. Be considerate of your sharers and neighbours
4. Don't play loud music or make other loud noises that cause a nuisance to others
5. Keep your rent and utility accounts up to date and when we or the Housing Benefit Department ask you for information provide this as soon as possible

8. Don't change the locks unless agreed with us. If you must add any locks to your property, ask for permission and provide us with keys.

Behaviour that we won't tolerate

The following types of behaviour, by you or your guests, can lead to immediate eviction:

1. Using or storing drugs in the property
2. Anti-social behaviour, violence, discrimination, harassment, bullying
3. Aggression towards our staff
4. Failing to pay rent or bills
